## About us

Sushi with Pride

Making sushi in Tsukiji for 10 years  
Ginkuro finally opens its own new store.

Dazzled by the variety of sushi toppings in Tsukiji,  
a gateway to the rich seafood of the world,  
Ginkuro has been serving  
each and every customer with pride.

This spirit will never change.  
The best sushi toppings  
combined with the ultimate art of sushi making,  
served at a reasonable price in space of comfort.

At the heart of it all  
lies a commitment of a 50 year old.

Ginkuro awaits you now at Miharabashi,  
a destination between Tsukiji and Ginza.
